

DC Council: Establish & Fund A Pennsylvania Avenue Main Street Program East of the River 2019-2020

Ayanna Smith started this petition to Ward 7 Councilmember Councilmember Vincent Gray and 10 others

Pennsylvania Avenue is often referred to as "America's Main Street" yet, that sentiment is only reflective of the short stretch between the White House & the Capitol Building.

Meanwhile, East of the River (EoTR), the Pennsylvania Avenue corridor is lacking a comprehensive revitalization plan that will **boost economic growth along the strip, while preserving the historic integrity of the community**. As seen in the photo above, the intersection of Pennsylvania & Minnesota Avenues looks relatively identical to the way it did in 1947.

This is a petition to DC Councilmember Vincent Gray and the Committee on Business and Economic Development to **add funds to the budget to establish and fully fund a Pennsylvania Avenue SE Main Street program (EoTR) that meets the critical four-point transformation strategies of Main Street America**, including -

- **ECONOMIC VITALITY** focuses on capital, incentives, and other economic and financial tools to assist new and existing businesses, catalyze property development, and create a supportive environment for entrepreneurs and innovators that drive local economies.
- **DESIGN** supports a community's transformation by enhancing the physical and visual assets that set the commercial district apart.
- **PROMOTION** positions the downtown or commercial district as the center of the community and hub of economic activity, while creating a positive image that showcases a community's unique characteristics.
- **ORGANIZATION** involves creating a strong foundation for a sustainable revitalization effort, including cultivating partnerships, community involvement, and resources for the district.

Join the movement to create a vibrant and sustainable Ward 7 business corridor! Sign the petition today!

Recipient: Councilmember Vincent Gray, Councilmember Kenyan McDuffie, Councilmember Mary Cheh, Councilmember Charles allen, Councilmember Jack Evans, DC Council Chairman Phil Mendelson, Mayor Muriel Bowser, C...

Letter: Greetings,

Please add funds to the budget to fully establish a Pennsylvania Avenue Main Street program, East of the River. It's time. It's needed.

James Byers	Washington, DC	2019-12-17	"I've resided in Ward 7 since 1996: initially in 'Hillcrest', and since 2004 on the north side of Pennsylvania Ave, in 'DuPont Park'. For 16 years, I've led the annual "WalkingTown DC" historical tour for groups of 40-80 people, usually 60-70% first-time visitors. Invariably, there comes a point when participants, amazed at the quiet, well-kept homes that drew me to the area 24 years ago, can't hold back the question: "The residential areas are so beautiful: why isn't anything being done to bring the [Pennsylvania Ave] retail corridor!?" Its inexcusable. There are Retail corridors in DC neighborhoods that have been 'discovered' and revitalized three times over, in the time I've lived in Ward 7. It's time to see movement. I hope this petition helps draw attention to a continued neglect of economic development on the Pennsylvania Ave corridor east of the Souza Bridge."
Kendra Arrington	Washington, DC	2019-12-17	"I live east of the River and we get no respect!! It's time to invest in the East of the River community. We have only 3 grocery stores for wards 7 and 8 but she you cross over to Capital Hill I can name 5 just in a few miles from each other! Why is that?!?"

Keith Jones	Washington, DC	2019-12-18	"This section of Pennsylvania Avenue has been neglected for far too long. With the exception of the apartment building and Thai Orchid restaurant, there has been no development in the lower corridor coming across the Sousa bridge. As reported in the news article, Penn Branch is the only half decent store front. The Fairfax Village Shopping Center could also use some revitalization."
